Nice, comfortable apartment, located in the very center of the city. In immediate vicinity of Knez Mihailova pedestrian zone, Kalemegdan fortress and the Republic square. The apartment is housed on the third floor of an older well maintained building with an elevator. It has been renovated and has functional structure. Three rooms are at disposal. Living room interconnected with dining area, a separated kitchen with pantry, as well as a bedroom equipped with a double bed, separated by a hallway. The apartment is abundant with light and has air-conditioning. Suitable both for office and residential purposes.
