Apartment is housed on a good location within city center. Small, peaceful street, located between two busy ones. Surrounding area contains different amenities necessary for everyday living. Apartment is housed on a seventh floor, so the location of building and apartments height provide beautiful view and abundance of light. Building is older but the apartment is fully renovated. Excellent and functional rooms arrangement provides comfortable space for families. Apartment has very nice, new kitchen with small pantry and terrace. Living room is specially comfortable and pleasant for staying since it has lot of windows which provide ample light. Also, living room opens to a larger terrace. Two bedrooms are quite spacious and third room is bit smaller and it can be used as study room. Bathroom is equipped with shower cabin and restroom is separated. Furniture combines modern and classic style which secures everyday comfort.
