Excellent business space in quiet surroundings, close by commercial zone, and famous Boulevard of the King Aleksandar. Zvezdara Municipality, Djeram green market, Sports center Vracar and numerous shops are nearby as well. Street is in the third parking zone area, and it is very well connected with all parts of the city, while freeway is within five-minute driving distance. This business space is situated on high ground floor on the beautiful and well maintained building. Easy construction walls separate space to two offices, and it contains fully equipped kitchen and toilet. Little storage space is located below the premises. Interior is bright, modern, with interesting way of lighting, and equipped with high quality ceramics. Mostly light and natural colors make this place beautiful and cosy. Suitable for different kinds of business activities.
