Building on excellent location, in peaceful surrounding, right under Cuburski park. This area is ideal for peaceful family life. Walking distance from Kalenic green market and all its amenities enables maximum comfort that one location can bring. Traffic link to other parts of city is also very good. Apartment occupies top two floors of a small, newer building. Facade is decorated with bright colours, which distinct it from surrounding. Apartment is spacious duplex with gorgeous terrace enabling great view onto Dedinje. Room layout is classic and functional. Living room with large fire place is on first level, continuing into dining room, and small kitchen fitted with wood, and furnished with appliances. Three bedrooms are upstairs. They have decent size and space for closets and beds. Apartment has three and a half bathrooms, which is convenience regarding number of bedrooms. Bathrooms are equipped with bathtubs. Furniture shows mixture of styles. Terrace is equipped with sitting set and outdoor barbecue, and it presents nice additional to comfort of everyday life.
