The apartment is housed on the third floor of a newer building with attractive marble fasade and a well maintained entrance. The building is located in immediate surroundings of Botanical garden and interception of two busy streets, but the apartment itself overlooking a quieter street. It consists of central area divided into living room area and dining room with a kitchen which is separated with a bar. There is one guest bathroom as part of the entrance hallway. Sleeping block consists of the main bedroom with a private bathroom and a spacious wardrobe, as well as one additional guest bedroom. Other part of the apartment is separated with a hallway and it consists of a spacious bedroom with a double size bed, desk and built-in closet. There is one more bathroom equipped with a jacuzzi bathtub, in the hallway. The apartment exits to two terraces, which are street oriented but these have function of french balconies because of their size. The apartment is equipped with newer furniture and pastel tones dominate throughout the interior. There is one garage space equipped with a small kitchen and a pantry at disposal for the tenant.
