An exquisite apartment situated in a luxury building near the St Sava Temple. Attractive location within residential area with plenty of amenities in the neighbourhood, such as cafes, restaurants, parks, shops, fitness centers. The highway is at only five minutes driving distance, while frequent streets, with public transport are at only 5-10 minutes of walking distance. The building is a new, luxurious with video surveillance and a garage in the basement level. The apartment is spacious and functional, two-side oriented. It consists of a public area which contains a large living room, dining room and a terrace with beautiful view of Vracar. The kitchen is separated. One bathroom with a shower cabin is placed near the entrance, while the other is with a hydromassage shower cabin within private area where there are three bedrooms. All rooms have ceiling slopes that do not disturb functionality. Furniture is new and modern. A large aquarium and a fireplace in the living room make unique atmosphere. The apartment is bright and quality materials are used for interior design. The apartment is equipped with alarm, internet connection, halogen lighting and aluminum windows. An excellent choice for family life.
