Interesting space placed in one of most beautiful Vracar street. It is only 5 minutes away from famous Kalenic green store, and area includes different commercial amenities, necessary for everyday life, or work. Several bus lines link this zone with other parts of town, and highway inclusion is only few minutes away. Street belongs to third parking zone. Premises are part of smaller residential building, but it has independent entrance, which makes it suitable for different purposes. It consists out of entry hall, four joint rooms, bathroom with bathtub and furnished kitchen. Since it is bit away from street, working atmosphere is very quiet.
