Semi detached house located in the street that is placed parallel to Vojvode Stepe street and has four levels. On the ground floor are a living room with a terrace that overlooks the street, dining room separated with a counter from small kitchen with a terrace overlooking the garden and a small toilet. This level can be reached by stairs from the basement level. On the next level there are bathroom with bathtub, two bedrooms with two terraces. Fourth level is located in the attic and it is organized as one space that consists of sleeping area, living room, small kitchen and bathroom. In the basement is a garage, storage room, bathroom with shower cabin and a large summer kitchen equipped with appliances and exit to the yard. The house is equipped with older, classic furniture, but if it is needed it also can be without furniture. It could be used both for residential purposes or business activities. The heating is central, while house has boiler of its own.
