Fully renovated apartment, according to highest standards. Very bright, spacious and comfortable space that occupies two third of floor size. All carpentry in the apartment is made by order from quality wood and mediapan. Floors are made of african wood. Sanitary facilities are made of first class italian ceramics. Part of walls in dining room and living room are covered with artificial stone. Marble fitted floor in kitchen and hallways. Ceilings made with combination of plaster works and indirect lights. Living room is 50 m<sup>2</sup> size with direct communication with spacious and light study, and gives impression of a life in large world cities. Beside excellent interior works, this apartment has excellent room arrangement. Area where children's and guest rooms are, has separate access, so as communication with living room over joint hallway. Whole apartment has very nice view onto Ada Ciganlija lake.
