An exceptional, completely renovated apartment in a pre-war building with characteristic high ceilings, in the heart of the city, in Andricev Venac. A unique property in this part of the city. High ceilings, very spacious rooms and large window areas with plenty of daylight. The interior is made of very high quality materials and designed. The major part of the apartment is occupied by the living room with the dining area, which is connected to the pass-through kitchen. The rear part of the apartment is reserved for the private area, which includes the master bedroom and the children's bedroom. Three bathrooms, a storage room and a very small terrace are at disposal. Elegant, unencumbered by furniture and details, this apartment is for those with refined taste who want to be in the heart of the city's happenings.
