Apartment is in smaller, interestingly looking building, and in peaceful residential area of Senjak. It occupies three levels. First level with two entrances and direct access to garage, consists out of tasty equipped living room, fully furnished kitchen and dining area, living room and bathroom with shower cabin. From this part of apartment there is direct exit to nicely arranged garden. Second level has partly furnished living room with built in library. Large balcony spreads next to whole length of this part of apartment. Third level has sleeping area with three rooms from which one has exit to balcony and nice view onto greenery and city panorama. This level also contains two spacious bathrooms. Exceptional location, good traffic connection with all other city areas and vicinity of several International schools makes this apartment excellent choice for family.
