Nice apartment situated in a house in Dedinje, in near vicinity of Partizan stadium. It is located in a quiet street, at only five minute walking distance from Autokomanda and the freeway exit. Excellent connection with the city center and other parts of the town. The apartment is very bright, comfortable and spacious and it is housed on the first floor of a well maintained house. It consists of an entrance hallway which leads into all rooms which are all separated. Living room is in connection with the dining room area, while the kitchen is completely separate and has two entrances. It can be reached either through dining room or through the hallway entrance. Sleeping block consists of two bedrooms. Main bedroom exits to a terrace overlooking the frontyard and the street, while the other room is smaller. Bathroom with an entrance from the hallway is equipped with a shower cabin. Ideal for a family, but for single people as well. Because of functionality it is suitable for office space as well.
