Apartment housed in a relatively new building, across the street from Botanical garden. The view from the second floor faces toward the surrounding greenery, while the location itself is quite busy and easy accessible. The apartment is spacious, comfortable and has slightly slanted ceilings. It consists of three rooms, two bathrooms - one with a bathtub, other with a shower, as well as a toilet. Carpentry and ceramics are well maintained. The apartment is rented without furniture, with equipped kitchen. Suitable for an office space.
