The apartment is located in a new, small building in the center of the Neimar, an area predominantly residential character. Very quiet and comfortable area, without much commercial content. Easy access to the highway provides a good road connection to all parts of the city. The apartment is on the first floor of the building, and is oriented sideways, towards the green area. Peace and quiet, nice to stay. It was renovated, enriched with details: modern lighting, suspended ceilings, decorative stone in the living room. Living-dining area is semi-open to the well furnished kitchen, and makes a functional unit with it. Bedroom with double bed and a terrace, a garden-oriented, tucked in and quiet. The apartment has one bathroom, very spacious, with bath and shower. Furnished a modern, minimalist in pastel shades. The furniture is new and good quality. All the details are well put together.
