Beautiful high ceiling apartment, placed in the very center of the city. Excellent location, within just a few minute walking distance from Kalemegdan Fortress and Knez Mihailova pedestrian zone. Easy connection to the rest of the city , and walking distance from many commercial contents, which makes this location very convenient. The apartment is housed on the second floor of a well maintained, prewar building with an elevator. It consists of a spacious living room, a bedroom, fully equipped, separated kitchen with dining area and a bathroom with a bathtub. The apartment is equipped with a combination of classical, styled and modern furniture, enriched with interesting details. Comfortable, functional space, with modern built in lighting. Suitable for a couple.
