This modern and bright apartment is located in peaceful street, in close proximity to very center of city. It is old part of Belgrade, close to Bajloni open market. Position enables easy access to all parts of city, since there are several bus and tram stops in vicinity. Also, pedestrian zone is only 10 minutes away by foot, so it gives all other opportunities that capitol city can provide. Apartment is on third floor of a newly built building. Entrance hall is under video surveillance. Apartment is partly furnished (one bedroom is unfurnished) with new furniture. Dominating modern kitchen design, with all power appliances, and bar table with two bar chairs, used as dining table. One bedroom has double bed and closet, bathroom is with bathtub, living room is quite spacious and it has exit to terrace. The interior is enriched with halogen lighting, beautiful aluminum windows and hard-wood flooring in all rooms. It is suitable for small families.
