Only a few minutes walk from the most attractive pedestrian and shopping areas, as well as the bohemian quarter Skadarlija. Also, this area is rich in cultural and commercial facilities. The apartment has high ceilings, modern, minimalist furnished as office and residential space. The living room has a comfortable sitting set and cutting-edge audio and video devices connected to WiFi system. The kitchen is also equipped of complete, while the second bedroom is currently without furniture. The terrace is fit with glass, with a glass roof and retractable awnings. The floors are tiled and with underfloor heating. The apartment is nice and comfortable, suitable for both residential and commercial property.
