An excellent apartment in a new, modern building with two elevators and garage space in the basement. The building is well maintained with marble flooring and alum carpentry. Very busy location only 5 minutes' drive from the city center, or a few stops with public transportation. Within easy reach are a market, numerous shops, cafes and few restaurants. The apartment is housed on the 4th floor and is very bright with good layout. The living room is an entirety with a dining area and kitchen. It is equipped with very comfort angular sitting and dining set, while the kitchen is with excellent appliances. It features two bedrooms, one of which is with double bed, while the other one is with a single bed. Beautifully designed bathroom is with a shower tub in mosaic tiles. Very pleasant and cozy interior, made with lots of attention and good taste. Convenient for a smaller family.
