Comfortable and very bright apartment in a prewar building in the heart of the old city center, near the Cathedral church. Exquisite locations, easily accessible from all parts of the city, overlooking the confluence of the Sava and Danube rivers, as well as the roofs of the old city buildings in this part of town. Street with sidewalks and cobblestone gives a special charm. Only a few minutes walk from the pedestrian zone of Knez Mihailova street and the Kalemegdan park. The apartment is located on the fifth floor of the building is very nicely decorated in a modern style. The interior is dominated by white and bright tones. There are two bedrooms, living room, dining room, kitchen and bathroom with tub. Two oriented and bright. The ambiance pleasant, unobtrusive, attractive to young people who want to be the focus of city events.
