Great apartment on the 7th floor of a building in the settlement of Belville in New Belgrade. The complex is functionally organized, with lots of different facilities and shopping center nearby. Very good traffic connections with all parts of the city. Garage is below street level, with security, and easy communication in several directions. The apartment is the triple-oriented, very bright. The living room is on the whole with kitchen and dining room, and has access to the glassed terrace. There are two bedrooms, one of which has its own wardrobe. Laundry is separated into a smaller room. The apartment is fully equipped with new, modern furniture in wooden colors. In combination with the pastel colors of the walls, the entire interior exudes harmony and comfort. Ideal apartment for a couple or a family seeking a comfortable and serene ambience for life.
