Very nice apartment placed in quiet street at the beginning of the Crveni krst area. In the close vicinity are pedestrian and commercial zone Bulevar kralja Aleksandra street. Location is rich in restaurants, coffee shops and all amenities necessary for comfortable everyday life. The building is relatively new, nicely maintained with an elevator. The apartment is modernly designed with centrally positioned living room interconnected to a kitchen and an exit to a terrace. Bedroom is separated with king size bed and built-in closet. Bathroom is nice with jacuzzi bathtub. The apartment is furnished with new, modern furniture in pastels shades. Walls and ceilings are decorated with plaster elements and attractive halogen lights. Suitable for single person or a couple.
