Great apartment on the 9th floor of Belville complex in New Belgrade. The complex is functionally organized, with many different content in the immediate vicinity. Excellent transport links to all parts of the city. The garage is located in the underground level of the complex and has 24/7 security. The apartment is very bright, equipped with new, modern furniture. The living room is in entirety with dining room, kitchen separated and equipped with all necessary technique and the cabinets. The bedroom has a double bed and wardrobe. Bathroom with bath. The apartment is facing the inside of the complex and not looking at the noisy streets. The whole ambiance exudes harmony and comfort. Ideal with single or couple.
