Luxury apartment in a new building of high quality construction and beautiful designs. The building has a doorman service and garage space in the basement. It is located in a prime position, close to the Temple of Saint Sava, within walking distance of Slavija Square. Location allows a comfortable and enjoyable life with a variety of content - bars, restaurants, shops and market Kalenic. Also, closeness to the highway provides easy access to all parts of the city. The apartment is spacious and very functionally organized. It consists of a living and a sleeping area. The living room is connected to kitchen and dining area and occupies a large open space of about 40m². Sleeping block has two bedrooms facing the building's yard and exits on a beautiful, intimate terrace. Bathroom equipped with a bathtub and a bidet, as well as a guest restroom are placed in the corridor between the living room and the sleeping block. The elements of the apartment are of superior quality, while the interior is luxurious, attractively designed. The furnishings are perfectly incorporated into the ambient. Minimalist type of decoration and light colors are dominant. Ideal property for clients of refined taste.
