Modern semi detached house placed in newly built, residential part of Dedinje. It is situated in the beautiful complex "Panorama" near the White Palace (Beli dvor) and the VMA Hospital. Excellent, quiet zone, with plenty of greenery, from where you can reach the center of the city in fifteen minutes of driving. The complex is new, beautiful and well organized. It consists of several objects between which the walking trail passes towards benches, courtyards, playgrounds and plenty of greenery. Complex is organized as pedestrian zone. From the sides of the complex one can enter the garage space. The house itself extends to four levels. The ground floor consists of a beautiful living room that is connected to the comfortable, fully equipped kitchen and has exit to the terrace and a small, green yard of about 50m². Within this level is a guest toilet. The first floor has a master bedroom with its own bathroom and another spacious room with two entrances which can be divided into two. Also, the bathroom with a shower cabin is stowed here. The second floor has one large bedroom, a bathroom, one large living room with a dining room and equipped kitchen. In the basement there are a laundry room, pantry and a passage to the garages where two parking spaces are available. The house also has an elevator that connects all four levels. It is equipped with excellent dark parquet, high quality aluminum carpentry and ceramics. In the living room is a fireplace that is in operation. The space is also equipped with automatic blinds that have anti-vandal protection, central vacuum cleaner and safety door. The building has a central water heater and a central air-conditioning, while the complex has a security and maintenance service 24/7. The space is suitable both for residential and office purposes.
