Comfortable apartment in a new building in Vozdovac. Quiet street, between two frequent boulevards which passes transportation routes. The building is modern in design, with a beautiful entrance and facade of granite blocks and a garage on -1 level with parking spaces for larger vehicles. The apartment is spread over two levels, is of the functional structure, with slopes on the upper level. The living room is open plan, as a whole with the dining room and kitchen and is located on the lower level. There is one bedroom, a bathroom and a balcony with views of the surrounding houses. The stairs at the entrance leads to the upper level where are located three bedrooms and two bathrooms. One bathroom with shower belongs to the master room that opens onto a balcony. All rooms in the apartment are comfortable, with good layout, very bright. Rooms are air-conditioned. It is suitable for a large family.
