Apartment is in peaceful street, close to Vuk's monument, Zvezdara municipality building and busy boulevard. It is bloc of building built in 80's, with red brick facade, surrounded by greenery and mini parks between buildings, for relaxation, or pets walking. Accross building is Oaza kompleks, with large Idea market within. Building entrance is in good condition, with two lifts, and lot of apartments, placed even on mid-floors. Apartment has view onto street and yard. It consists out of long hallway, furnished with closets. Living room is open plan with dining room, and two bedrooms are separated, as well as bathroom with bathtub. Living room has exit to terrace. Furniture is classic, preserved, combined styles. Suitable for life of a family, simple and comfortable.
