Premise is placed within commercial building, at Autokomanda roundabout. Location has very large traffic frequency, since it represents central connection point for traffic lines toward city center, Vozdovac and Dedinje. Premise occupies two levels, and entrance is between them. First level is open space of 95 m², convenient for show-room, with granite fitted floors and plenty daylight. It has view onto street and it is visible from outside. Second level could be used as an apartment or office space, with 3-4 rooms, but needs renovation. Premise has potential to be showroom with offices, shop for fast food or catering business. Good location make this place suitable for retail, fitness or some similar activities.
