Complex is located in Veliki mokri lug, 4 km from Niš highway on the half an hectare piece of land. It consists of two objects, spreading over three levels, occupying 2,100 m². Large warehouse is divided in three sections, two parts of 700 m², one part of 500 m² and one part of 200 m², from which 1,400 m² divided into two equal parts on two levels for show room and sales area. Height of the ceiling varies between 4 and 5 m. Space around this complex is entirely paved, so large tow trucks can easily approach every level. In the front of the building there are parking spaces for ten vehicles. Suitable for different business activities, production or as storage place.
