Street is well known, and building itself is quite visible. There is park across the street, and in close vicinity are school, green market, sport center, etc.. House occupies three levels with little surrounding ground. Only thing that stands out is platform for terrace which is in level of side street, where are three parking spots belonging to this house. First and second level of a house are identical structure, organized like two three-bedroom apartment with detached kitchen, dining area and bathroom with bathtub.
