New apartment on Vracar area, close to Juzni bulevar, in a busy street that goes directly to Kalenic green market, in some 10 minutes walking. Building is withdrawn from street and it has nicely decorated plateau in front of it. Parking place is on platform, in the basement of the building. Apartment is housed on third floor and two sides oriented. It consists out of central, long hallway leading to living room with kitchen, one bedroom and bathroom with shower cabin. Kitchen is separated by bar-table and it has exit to terrace under eaves, overlooking the street. One bedroom is furnished with double bed and closet, oriented toward yard. Apartment is equipped with new furniture of classic style. Decoration are mostly in beige and brown tones. Cozy and suitable for single people or couples.
