The house is located in Zvezdara, in quiet street, near Olimp in the residential zone. It is placed on a lot with a nicely arranged yard, near Bulevar Kralja Aleksandra, which connects this location to the rest of the city. The house consists of 3 separate apartments, two of which are for rent and they can function as a whole or separately. Ideal for big families. One apartment has two levels while the other has three and they are connected with hallway, which they share. The first apartment consists of a large living room, smaller office space/ guest room and bathroom on the ground floor level; and three bedrooms, bathroom and a terrace on top floor. The second apartment consists of kitchen and a dinning room in the basement, large living room on ground floor, two bedrooms and a bathroom on top floor. Both apartment units are fully equipped with clasical newer furniture, have air-conditioning and a terrace. Smaller front yard is nicely arranged and has a summer house. This is very convinient for relaxation, and gives a lot of space for pets. There is a smaller pool, sauna and a terrace with barbecue and a table for 20-30 people at disposal. In second part of the yard there is a posibility for one or two parking spaces and a garage space.
