It is within the walking distance of green market and Maxi grocery shop. There is also a French school nearby and one parking space available for the future tenant. The apartment interior consists of one spacious living room connected with the dinning room. The kitchen counter separates this area from the kitchen, which is fully equipped with all new and unused appliances. The living room and dinning room are connected to sleeping block with hallway. The sleeping block consists of two bedrooms with built-in closets and two bathrooms. The apartment is not equipped with furniture. It is very bright giving that it has large windows. It is suitable for living space and for office space as well.
