The apartment is redecorated and it is in postwar building in the city center. It is located in only minute walking distance from the pedestrian zone which is considered to be the city core and center of city life. On this location there are numerous cultural and historical centers as well as places for entertainment. Shopping and pedestrian zone attribute the already positive sides of this apartment, while the Kalemegdan park gives the opportunity for relaxation. It is an older building, with a well maintained entrance and an elevator. The apartment is on the second floor and is facing the backyard, so the city noise is minimum. The apartment has nice living room connected to the kitchen with bar, and two bedrooms. One of the bedrooms is larger and comfortable, while the other is smaller but functional. The bathroom is newer, it has a shower. The apartment also has nicely arranged terrace, which is connected to two rooms. The room arrangement is very functional and the whole space is well used. The furniture is new and modern and the apartment has PVC carpentry and modern lighting. In the building backyard there is one parking space.
