The apartment is in the building in the city center, at only ten minute walking distance from the pedestrian zone, Knez Mihajlova and Republic square. There is a great number of grocery stores, shops as well as cafes near this building. Connection to the city center and other parts of the city is excellent, giving that there are many city traffic lines nearby. The apartment is on the fifth floor of a building with an elevator. It consists of a living room, two bedrooms, separated kitchen and a bathroom, which are connected with a central hallway. One bedroom is larger and has double size bed, while the other is smaller with one size bed and it is connected to a kitchen. The kitchen is equipped with new kitchen appliances and bathroom is completely redecorated. The apartment is equipped with new and well maintained furniture and it has new PVC carpentry. It is very bright and suitable for both families and businessmen who need city center vicinity.
