Excellent industrial warehouse (1.500 m<sup>2</sup>) near the railway station, located in Rakovica in the industrial zone. It's very easy and quick to reach the traffic bypass. The warehouse is made of sandwich panels, it has 3 large entrances (two inputs with dimensions 4x4 and one 6x5). The floor is made of high quality concrete, while the ceiling height is 5 to 7 meters. There is a big land of 60 acres at disposal. It has an industrial electricity power and access for large trucks, while heating and cooling are provided by the air conditioning.
