Nice, little building at the beginning of elite zone of Dedinje, and in close vicinity of Stadium. It is well linked to city center, with only 10 minutes driving distance. Building has only two floors and three apartments, and it is in very good condition. Apartment is functionally split into two areas. Huge living room is central, and it continues into dining room and large kitchen with all appliances. Living room has nice fire place with fence made of wrought iron. Next to living room is anteroom with closets, and toilet with separate laundry room. Second part of apartment comprises three bedrooms, two of which are equipped with closets, and they have two bathrooms, one with shower, other with bathtub. All bedrooms and bathrooms could be entered from hallway, equipped with closets, so there is lot of storage space in the apartment. Interior is fully renovated, and easy adjustable to needs and taste of new tenants. Suitable for families.
