Office space housed on a low-ground floor of a private house, on an excellent location within city center. Very busy street with several public transport lines operating here. Entrance to this office space is from backyard of building. There is one large room of 100 m² and two smaller ones. Offices are formed with easy partition walls, which could be removed or partly changed. Floors are covered with carpets and there is natural ventilation and lighting. Offices are provided with air conditioners and connections for internet. Suitable for quiet business activities.
