Nice apartment on an excellent location in Vracar. It is situated in the very heart of this part of the city, not very far from Kalenic green market and Bulevar kralja Aleksandra. There are all necessary amenities at disposal nearby, banks, post office, cafes and restaurants. The apartment is housed on the high ground floor of an older building and it has two side orientation. It consists of a smaller entrance hallway which leads into one bigger central room, connecting the rest of the rooms together. There is a living room, equipped with classical furniture at disposal, as well as a separated kitchen with dining room, which has an exit to a terrace. There is also a bedroom, equipped with a double size bed and closets. Bathroom with a bathtub can be entered from the hallway. Whole apartment is quite bright and it is suitable for students or couples.
