High quality apartment, placed in a newer building with an elevator and video surveillance, in near vicinity of church in Vozdovac. Within fifteen minute driving distance one can reach city center. Multiple lines of public transportation are in immediate vicinity, as well as numerous commercial contents. The apartment is modernly equipped, with new furniture, while it also has functional structure. It consists of a living room connected to dining area, with an exit to a spacious terrace. Kitchen is separated and fully equipped. Sleeping block has two bedrooms, one equipped with a double bed, while the other is children's room. Both rooms have built in closets at disposal, while additional storage space is available in the hallway. Bathroom has a shower cabin. There is one garage space at disposal, as well as one parking space.
