Good, comfortable apartment with characteristic high ceilings at attractive location in pedestrian zone Knez Mihailova street, and close to Trg republike (Republic square), and Kalemegdan park. Excellent location for people who like to be in the center of busy city life. The apartment is housed on the second floor of well maintained, pre-war building with an elevator. It consists of entrance hallway, living room with dining room, two bedrooms, bathroom with shower cabin, toilet and separate kitchen with a window. The apartment has excellent structure, with high ceilings rooms and large windows which provide abundance of natural light.

Suitable for a single person, a couple, or a family.
