The apartment is located in the heart of Senjak, close to many international schools. It is in a quiet street, in fully renovated, pre war, building with characteristic high ceilings. From this location, highway, New Belgrade and the city center are easily reachable. It spreads over 90 m². The apartment consists of a living room connected to dining area and a kitchen and two has bedrooms of different sizes at disposal. It exits to a terrace and has a modern bathroom, equipped with a shower cabin. The interior is made of high quality materials and it is abundant with daylight, refined by modern lighting and lots of details which make this space specific and sophisticated. For the renovation of the apartment, both interior and exterior, quality materials have been used and together with details this apartment meets requirements for beautiful and comfortable life.
