Excellent storage space placed on 16 acre plot, which is quite suitable for import and export of goods or parking for number of vehicles. Location of this building is just 2 km away from highway to Novi Sad and 5 km away from highway to Sid. Bus station is just in few minute walking distance, while wide streets that goes to this property enables good access for heavy trucks or delivery vehicles. Building occupies some 90 m² of refrigerated space with shelving which can accommodate 74 palets. In the rest of storage space is possible to accommodate around 130 palets since it is also organized as shelving storage. Building is registered with Ministry of agriculture and it has all necessary permissions and fulfilled sanitary condition for food storing. There is an office space organized within object. It includes one office for warehouse clerk with toilet and showers, while other two offices are on the gallery. Ceiling height in building is 4-5 m, building is solid with good insulation. Electronic gate provides security so the warehouse is quite suitable for any sort of goods.
