Very attractive apartment located in the city center, near pedestrian zone Knez Mihailova Street, Republic Square and the Kalemegdan fortress. Beautiful location for life, in the center of city events, with numerous commercial content at hand reach. The apartment is two-side oriented, housed in older, well-maintained building. The apartment is fully renovated and equipped with furniture in modern-classic style. There is a living room with a small dining room and kitchen equipped with built-in appliances. One bedroom has king size bed while the other is equipped with two single beds. The apartment has several closets. There is a toilet and a bathroom with shower cabin at disposal.
