Apartment housed on the high ground floor of a beautiful prewar building, located in one of the most attractive streets in Belgrade. Several diplomatic branches are located in the vicinity. Marble entrance into the building, well maintained. The apartment is structurally divided into four and a half rooms. Anteroom leads into four rooms, as well as to the hallway, at the end of which is a kitchen and another small room. There is a bathroom with a shower cabin, a restroom and a pantry. The apartment has access to a spacious terrace, which is shared with another apartment. Interior is abundant with natural light, spacious, has air-conditioning, video surveillance and alarm system. Most suitable for office space.
