Studio apartment in a new building, which has never been rented out before. It is located relatively close to several faculties. The apartment is housed in the basement level of a building with an elevator. It consists of one central room, in which there is also a kitchen. The apartment has a bathroom with a shower cabin, storage room and large terrace. It is very bright and currently semi furnished, but it could be fully furnished on demand and according the tenants wishes. There is an option of providing internet connection, cable TV and phone connection as well. Behind the building, there is a parking space available for tenants.
