Business space is situated in a completely renovated business building, which is in surroundings of other office buildings. Location is well connected to all parts of the city through the wide boulevards and highway. In front of the building is station of public transport which provides good and easy connection with all parts of Belgrade. Space consists of one large room which could be divided into two independent sectors. It is bright, with excellent parquet on the floor and modern, high quality lighting. Toilets are mutual and placed in front of the office. There is no kitchen in the office and there is no possibility for installing one, while it is possible to install coffee machine and water cooler. Suitable for IT companies or branch offices.
