The apartment is placed in the city center, in near vicinity of river bank and close to main bus station. The apartment is housed on the fourth floor of a prewar building with an elevator. The building has well maintained entrance and facade. Apartment is abundant with natural light and has two side orientation, toward the street on the one side and the building's yard on the other. It has three rooms which are interconnected, a living room, bedroom with double bed and dining area with dining table and a couch. Furniture is older but in good condition, while the pianino is also functional. Kitchen is separated and fully equipped with new appliances. Renovated bathroom has a shower cabin. It is suitable for a smaller family or a couple.
