Nice and spacious apartment, housed on the second floor of a pre-war building with an elevator. Very heart of Vracar, within five minute walking distance from the Kalenic farmers market, busy boulevard and faculty. Nearby is Vukov spomenik (monument) with a beautifully landscaped park with benches for rest. From this position, it is easy to reach all parts of the city, as well as the highway inclusion. Excellently maintained building with marble entrance and gypsum details in the hallway. The apartment is characterized by a functional arrangement of rooms, it is rich in natural light and spacious. It consists of an entrance hall leading into the living room, a separate kitchen, a bathroom and a toilet. From the living room one can access the bedroom, which also has an entrance to the bathroom. Kitchen with dining area is separated, it has a pantry, as well as an exit to a small terrace facing the building's skylight. The kitchen is equipped with necessary elements and appliances, while the bedroom has a new double bed and a closet. Due to the functionality of the space, it is suitable for business premises as well.
