Apartment located in a busy street in lower Senjak area, within walking distance from a public transportation stop. It is housed on the ground floor of a smaller apartment building. It has high ceilings and discreet plaster works on the walls. A spacious entrance hall leads to two rooms. Both living room and bedroom occupy 20 m². Kitchen is separated, equipped with necessary appliances and has an exit to a terrace. Heating is city central, while there is an air-conditioner at disposal. The apartment is suitable both for a residential and for an office space, since it can be rented without furniture.
