This nice apartment is placed in a relatively quiet street in near vicinity of clinical centre. Building is newly built, nicely maintained and well positioned. From this location one can easily reach city center as well as the highway, while there are numerous embassies and foreign branches close by. The apartment is housed on the second floor of a building with an elevator and it has two side orientation, toward the street and the backyard. A smaller entrance hallway leads to the central part of the apartment which consists of a mutual living and dining area, with terraces on both sides. Kitchen is separated and fully equipped. On the one side of the living room there is a small hallway with a bathroom and one bedroom, with same layout on the other side of the living room. The apartment is in good condition, it has high quality ceramics and a shower cabin in the bathroom. It is equipped with newer furniture of more classical look, while the interior is enriched with plaster work and halogenic lighting. It is suitable for a couple or a family.
